

SINGER®

SINGER® STEAM IRONING PRESS

**Professional Results
in Half the Time!**

MODEL ESP2

NEW

Like fresh from the cleaners !

The steam ironing press not only works on all types of clothing, including pleated skirts, pants, blouses, shirts, ties, and scarves. It also removes all wrinkles on curtains, sheets, and other household items in minutes.

SINGER®

STEAM IRONING PRESS MODEL ESP2

Powerful bursts of steam for long-lasting creases as often needed for pants.

Opens wide for bulky items, with a pressing surface 10 times larger than a conventional iron.

Portable and easy to store in a small space.

Effortless, time-saving ironing of all fabrics!

Watch your piles of ironing disappear in a fraction of the time needed with a conventional iron. The SINGER® steam ironing press cuts your ironing time in half and perfectly handles all types of clothing and household fabrics. Variable heat selection lets you choose the ideal temperature for all materials, from delicate blouses to heavy denims or curtains. And you're always in control of the amount of steam required, thanks to the variable steam function including a steam burst.

The SINGER® steam ironing press opens wide for bulky items providing a pressing area 10 times larger than a conventional iron. Several layers can be pressed simultaneously for even greater savings of time and energy.

More features and benefits that will convince you:

- > Audio safety alarm system
- > Auto shut-off system
- > Pressing area: 63 cm long, 26 cm wide
- > Maximum steam penetration
- > Washable ironing pad cover
- > Die-cast aluminium base
